Clear Technologies Named to Everything Channel's VAR500 List

"Our success is clearly a result of the dedication of our team and the trust of our customers."

Phil Godwin, Vice President of Sales and Marketing, Clear Technologies

FRIDAY, JUNE 14, 2011: COPPELL, TX USA: Clear Technologies today announced it has been recognized by Everything Channel as a part of CRN's 2011 VAR500 list, which ranks the top technology integrators in North America. Featuring the highest producing technology integrators and solution provider organizations in the IT channel, the VAR500 rankings consider earnings from hardware sales, software sales and managed IT services. Clear Technologies placed 427th in the 17th annual ranking.

The VAR500 is a list of the largest value-added resellers, solution providers and integrators in North America by revenue size. Revenue size is determined by the amount of annual products and services sold over the course of 2010.

"We are honored to be a part of the 2011 VAR500 list. Our success is clearly a result of the dedication of our team and the trust of our customers. This award is a testament of the remarkable things we have accomplished over the past year." says Phil Godwin, Vice President of Sales and Marketing, Clear Technologies.

"The VAR500 represents the top performing solution providers in the IT community," said Kelley Damore, VP, Editorial Director, Everything Channel. "Vendors of all sizes rely heavily on the VAR500 list to find those solution providers best suited to sell their products. VAR500 honorees are considered trusted business advisors, integration experts, and invaluable partners. Even more importantly, they solve customers' biggest IT business problems through product integration, training, consulting and services."
